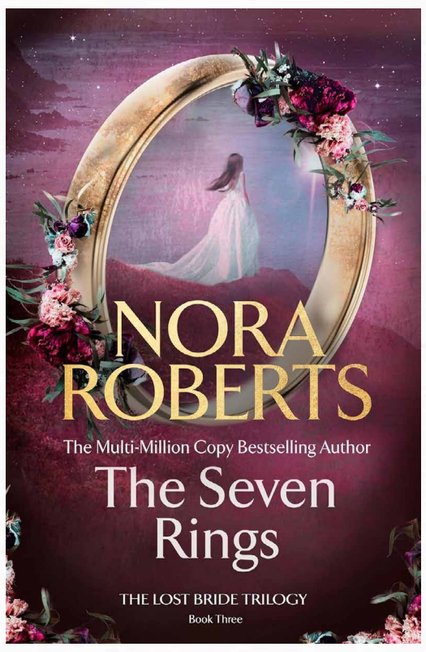
Title: **The True Meaning of Love**
Author: Danielle Steel

Summary:
The True Meaning of Love by Danielle Steel follows four women whose lives are shattered by the Russian invasion of Ukraine. As they face heartbreaking choices between survival, duty, and protecting their loved ones, their stories reveal the courage, sacrifice, and resilience that define the true meaning of love.

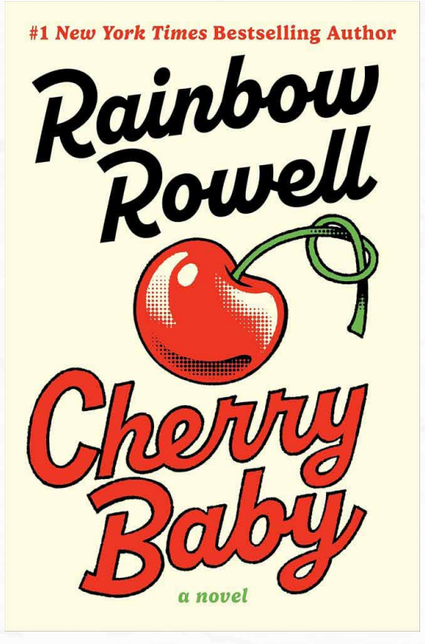
Title: **The Book Witch**
Author: Meg Shaffer

Summary:
The Book Witch by Meg Shaffer follows Rainy March, a magical guardian who travels into novels to protect their stories from danger. When her grandfather disappears and a priceless book is stolen, she joins forces with a fictional detective she is forbidden to love. Their adventure through classic literary worlds uncovers hidden enemies, family secrets, and the power of stories.



Title: **The Seven Rings**
Author: Nora Roberts

Summary:
The Seven Rings by Nora Roberts is the final instalment of The Lost Bride Trilogy, following Sonya MacTavish as she battles to break a generations-old curse haunting Poole Manor. Confronted by a malevolent spirit responsible for the deaths of seven brides, Sonya must face supernatural dangers across two realms to reclaim her home and secure her future.



Title: **Cherry Baby**
Author: Rainbow Rowell

Summary:
Cherry Baby by Rainbow Rowell follows Cherry, a woman struggling to rebuild her life after her husband leaves her while finding fame through a webcomic featuring an unflattering version of her. Feeling lost and exposed, Cherry unexpectedly reconnects with someone from her past, opening the door to self-discovery, new love, and a chance to reclaim her identity.

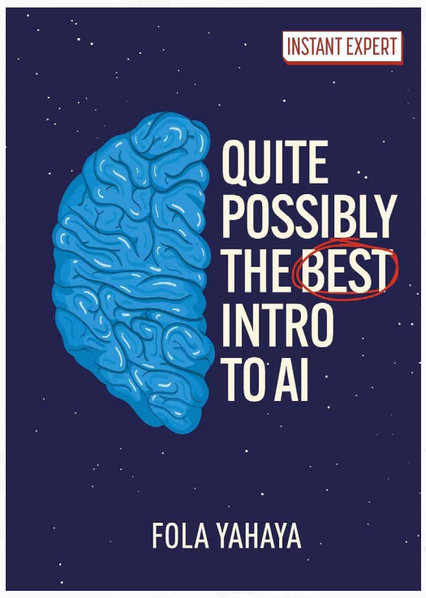
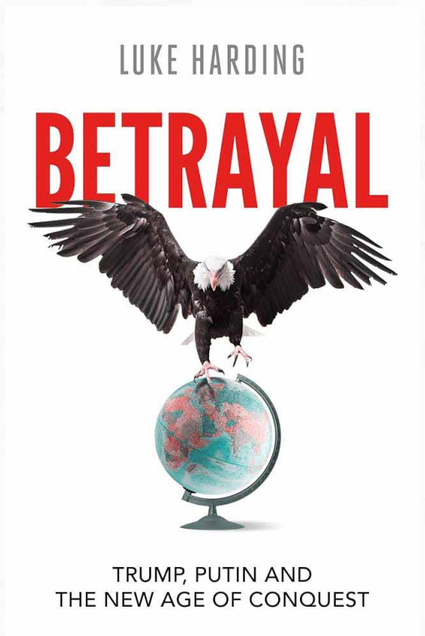
FICTION & NON-FICTION



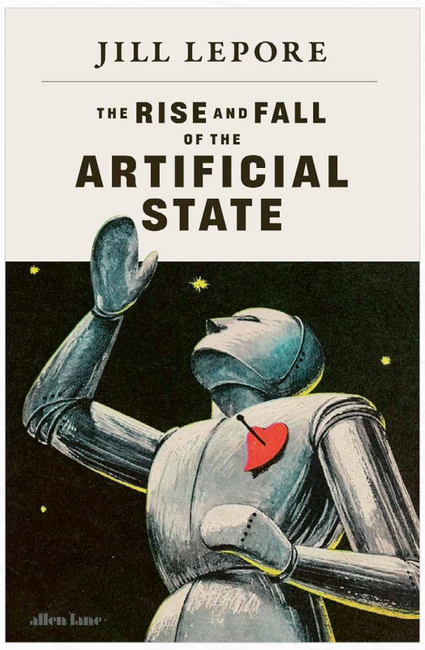
Title: **Quite Possibly the Best Introduction to AI**
Author: Fola Yahaya

Summary:
Quite Possibly the Best Introduction to AI by Fola Yahaya is an accessible guide to understanding artificial intelligence, how it works, and how it may reshape jobs, creativity, and everyday life. Cutting through the hype, it offers practical strategies for using AI effectively and preparing for an increasingly AI-driven future.



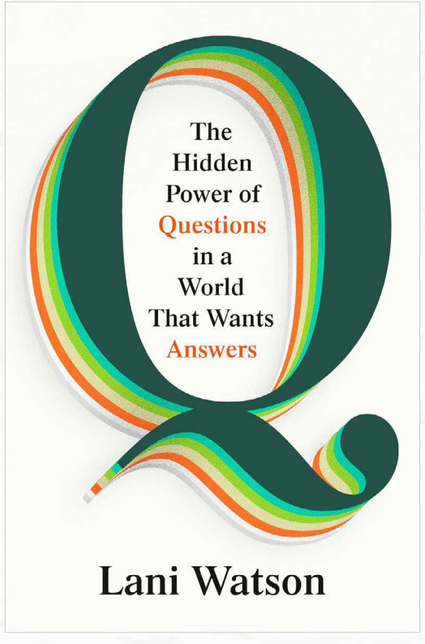
Title: **Betrayal: Trump, Putin and The New Age of Conquest**
Author: Luke Harding

Summary:
Betrayal: Trump, Putin and the New Age of Conquest by Luke Harding examines the breakdown of the post-1945 international order and the return of great-power rivalry. Drawing on frontline reporting from Ukraine and other geopolitical flashpoints, Harding explores shifting alliances, territorial ambitions, and the experiences of people caught in an increasingly unstable world.



Title: **The Rise and Fall of the Artificial State**
Author: Jill Lepore

Summary:
The Rise and Fall of the Artificial State by Jill Lepore examine how data, algorithms, and artificial intelligence are reshaping democracy, politics, and human society. Tracing the growing power of technology and billionaire-led corporations, Lepore warns of an emerging system of machine-driven governance while arguing that this future is not inevitable and can still be challenged.



Title: **Q: The Hidden Power of Questions in a World That Wants Answers**
Author: Lani Watson

Summary:
Q: The Hidden Power of Questions in a World That Wants Answers by Lani Watson explores how asking better questions can transform the way we think, learn, and make decisions. Blending philosophy, history, and practical "Q Tools," Watson encourages readers to focus less on quick answers and develop the skills to become more thoughtful and effective question-askers.

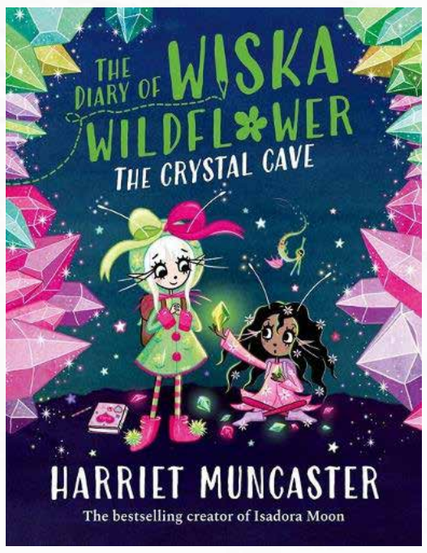
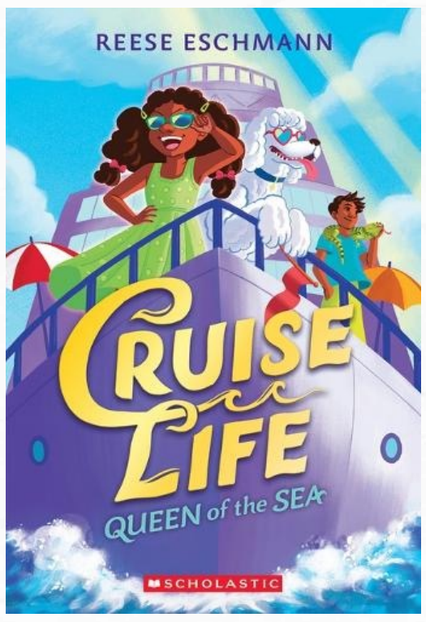
Title: **The Diary of a Wiska Widflower #1: The New School**
Author: Harriet Muncaster

Summary:
The first book in an exciting new series from the creator of Isadora Moon, Harriet Muncaster. Told in diary format and packed with beautiful full-colour illustrations, this is the enchanting story of Wiska Wildflower and her search for friendship at Inkcap's Academy. ONE day until I go to my new school. Eeeek! It's called Inkcap's Academy and it's in Twitching. TWITCHING! Yes, I now live on the completely opposite side of Wiskling Wood to my old school in Acornia, and more importantly, MY FRIENDS ... [...]



Title: **The Diary of a Wiska Wildlfower #2: The Crystal Cove**
Author: Harriet Muncaster

Summary:
We're going on a school trip to Wiskling Mountain! We have to read a map and make our own camp and find and cook our own food-it's a BIG deal. Wiska is excited to be paired with Citrine for the school trip, but when Citirne persuades her to join her on a secret mission to find a rare starflower, she begins to have doubts. After disaster strikes, the friends seek sanctuary in a hidden spot in Wiskling Wood. What they find there is incredible and life-changing. But will their friendship survive this dangerous adventure? [...]



Title: **Cruise Life**
Author: Reese Eschmann

Summary:
Caitlin and her big brother, Dylan, are still getting used to shuttling between Mom's new little house and Dad's fancy new condo after their divorce. But summer means a solid six weeks with her dad. Finally, one toothbrush in one place and all her outfits together! So when her dad announces that he's gotten a new job on the fanciest, most fun, family-friendly cruise line -- and he's bringing his kids along -- Caitlin has mixed feelings. For about a minute!

Then off she goes on the adventure of a lifetime on the biggest ship she's ever seen, the Wandering Princess, which is tricked out to perfection. [...]

Title: **Royal Institute of Magic #1: Elizabeth's Legacy**
Author: : Victor Kloss

Summary:
Two years ago, Ben Greenwood's parents walked out the door and never returned. The police have all but given up finding them when Ben stumbles upon a peculiar letter addressed to his dad. "You are the most wanted man in the Unseen Kingdoms. Unless you come to us, we cannot help. For your child's sake, tell us what you know."

The letter is from an organisation called the Royal Institute of Magic and is dated a day before his parents disappeared. [...]
